Hello camp parents!

Whether you are one of the OGs of camp, or a newbie, or anyone in between, we welcome you to participate in camp appreciation week starting July 11. A few of us started this tradition a couple years ago and it was so well received–it has now grown into two weeks!!! Sometimes words aren't enough to say THANK YOU for all the camp staff does to take care of our babies.
A few things you can do to make these couple of weeks special

1. Bring an item(s) from the list to enter a raffle for 1 day of daycare (5 total days will be raffled)
2. Sign up through the Signup Genius link (or QR code) to bring a breakfast or lunch item or treat on one of the celebration days https://www.signupgenius.com/go/10C0F4DADAA2EA2FECF8-camp1
3. Bring a picture of your pup to put in the "yearbook" and write a special note about your favorite things or moments at camp (notecards provided–all you need is the picture!)

TIPS FOR BOOKING DAYCARE:

- **Book in advance & adjust dates later (but don't forget your days!! We can always send you a new list of reserved days, just ask!)**
- **Want multiple days? Save your self the form-filling-out time, just send an email: info@camphappyhound.com!**
- **Tuesday & Friday (any day) regular? Book every "Tuesday & Friday" for multiple weeks/all of your package days; adjust later if needed! (send an email!)**
- **Don't always rely on your confirmation emails for remaining package days. Days are not taken from your account until check OUT.. ie. If you book 5 days at a time, your confirmation's total days will remain the same! We can always update you! & We do our best to let you know when you get down to your last few.**

LOOK FOR AND CHECK EVERY CONFIRMATION EMAIL! If your confirmation email shows the wrong date, you must let us know; reply to said confirmation email or call Camp.
Confirmation emails are sent to the email address registered with your pup on their Evaluation Day.

Cancellations/Rescheduling is permitted until 5pm the previous day. Changes made after 5pm the previous day (or day of said reservation), will result in the loss of said pre-paid/package day. *Exceptions based on reasoning.*

Any **OUT-OF-DATE SHOTS** will show in your confirmation emails (if none show, your pet is UTD). If your pet has a shot out, we MUST have proof of vaccination BEFORE we can accept your pup for daycare.

JULY'S CAMPERS OF THE MONTH:
Brodie & Frosty

Brodie, a long-time Camper and his younger brother, Frosty, really just can't get enough of Camp. The boys will run crazy in the yards and play with *all* the pups – but will always end up back with each other wrestling and rolling around, like most brothers do.

Congrats Brodie & Frosty,
July is for you two!

PET FIRST AID TIPS

brought to you by DVMmultimedia™ www.DVMMultimedia.com

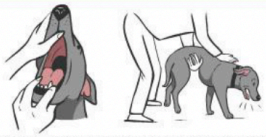
WOUND CARE

- Place pressure with gauze or a clean cloth to stop bleeding.
- If there is debris, flush the wound with saline or clean water.
- For deep wounds, or severe bleeding, keep pressure until you can get your pet to a veterinarian.

SEIZURES

- The most important thing to do is to protect your pet from self-injury.
- DO NOT place your fingers or any object in your pet's mouth.
- Clear the area around your pet to help prevent injury during the seizure.
- Do NOT attempt to restrain your pet, but you can place a hand on their body.
- When the seizure has stopped, contact your veterinarian for further instructions..
- If the seizure does not stop within 3 to 5 minutes or if your pet comes out of the seizure and goes into another one within an hour, transport the dog immediately to the veterinarian.

CHOKING



- If choking, hold the upper jaw open with one hand, and look for a foreign object.
- Unless you can clearly see and grasp the obstruction, do not put your fingers into your dog's mouth or throat.
- Lift smaller dogs' legs into the air so gravity can help dislodge the obstruction.
- If you can't remove the foreign object, using the heel of your hand, deliver 4-5 sharp blows on the dog between the shoulder blades.

POISON

- If you suspect poisoning, seek care immediately.
- If you cannot get to the vet immediately, are waiting for a ride, or are stranded, you can call either of these 24-hour emergency hotlines:

ASPCA Animal Poison Control Center
1-888-4-ANI-HELP or **1-888-426-4435**
